The General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore

Sir,

I have the honor to state that prior to April 1928, applications for refund of Octroi duty on all goods exported out of City limits of Bangalore were being entertained and disposed of in accordance with Article 24 of the Octroi Bye-laws of this Municipality which state that refunds shall be granted at the rate originally charged on the articles exported within six months from the date on which Octroi was levied This procedure was objected to by the Local Auditors on account of the introduction of rule No 147 of the revised Municipal Account anual which states that 'if an application for refund is not presented for payment within two months after the close of the month of registration of the application to the refund ledger, i e, from the -- date of export of the goods, the claim shall be considered to have lapsed Thus a time limit of two months was introduced by the revised Municipal Account anual while no such limit existed according to the Bye-laws, for preferring a claim for refund of Octroi duty

2 Accordingly a large number of applications for refund of Octroi presented for payment were objected by the Local Auditors and the aggrieved parties approached the Municipal Council stating that they were not aware of the r-

revised rules of the Municipal Account Manual and that they would be put to heavy loss if the revised rules were enforced so suddenly without giving previous notice thereof

3 The Municipal Council at the meeting held on 2nd March 1929 have resolved to sanction payment of all such refunds of Octroi which were considered to have lapsed according to the revised Municipal Account Manual

4 I request therefore that approval of Government may kindly be obtained to the resolution of the Municipal Council and communicate the same to this Office for taking further action in the matter A copy of the resolution of the Municipal Council on the subject is herewith forwarded for favour of information

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT

Order No L 7237-8/mc243-28-2

Dated Bangalore, the 29 4 29

It is stated that prior to April 1928, applications for refund of octroi duty on goods exported out of Bangalore City limits were being disposed of in accordance with Article 24 of Octroi bye-laws which permitted refunds at the rates originally charged on articles exported within 6 months from the date on which octroi is levied, that under Article 147 of the revised Municipal Account Manual, no refund is permissible if the application is not presented within 2 months after the close of the month of the registration of the application in the refund ledger, and that a large number of applications for refund have been objected to by the Local auditors and that the application of Art 147 so suddenly will work hardship on the people concerned The Municipal Council have therefore resolved to sanction payment of all such refunds of octroi which were considered to have lapsed according to the revised rule

The resolution of the Municipal Council

Council sanctioned The President is requested to take action to amend the octroi bye-laws of the Municipality in accordance with article 147 of the M A M
